All other ingredients of this product are listed on the TSCA Inventory.

Section 4: First Aid Measures

**Eye Contact**—Flush immediately with plenty of water. Get medical attention if irritation occurs.

**Skin Contact**—Wash off immediately. If irritation continues seek medical attention.

**Inhalation**—Move to well ventilated area. Seek medical attention if irritation persists.

**Ingestion**—Seek medical attention immediately.

Section 5: Fire Fighting Methods (Product is not combustible)

**Flammability of the product**—None

**Flash Point**—300°F

**Combustion of the product**—None

**Fire fighting media and instructions**—Extinguish with water spray or carbon dioxide, dry chemical powder or foam.

Section 6: Accidental Release Measures

**Personal Precautions**—See section 8.

**Environmental Precautions and clean-up methods**—In the event of major spillage: Use appropriate containment to avoid environmental contamination. Sweep or scrape up material. Place in suitable clean dry containers for disposal by approved methods. Use water rinse for final clean-up.

Section 7: Handling and Storage

**Handling**—Avoid contact with skin and eyes. Storage—Store in a cool dry place that is well ventilated. Protect from freezing. Keep Out Of Reach of Children.

Section 8: Exposure Controls and Personal Protection

**Engineering Controls**—Always use in a well ventilated area.

**Personal Protection**—B-Gloves and Safety Glasses

**Eyes**—Always wear safety glasses when using cleaning agent.

**Hands**—Always wear rubber gloves when using cleaning agent.

**Respiratory**—Use cleaning agents with adequate ventilation.

**Feet**—No special requirements.

**Body**—No special requirements.

Section 9: Physical/Chemical Characteristics

**Boiling Point**—N/A

**Specific Gravity**—0.8-0.82

**Melting Point**—N/A

**Vapor Pressure**—N/A

**Vapor Density**—Greater than 1.0

**Solubility in Water**—Insoluble in Water

**Evaporation Rate**—Greater than 1

**V.O.C.**—0.0

**pH**—N/A

**Appearance**—Clear to Amber with Solvent Odor

Section 10: Stability and Reactivity

**Stability and Reactivity**—Product is stable.

**Conditions of instability**—Avoid Contact with strong oxidizers.

**Incompatibility with various substances**—Avoid Contact with strong oxidizers.

**Products hazardous polymerization**—None

Section 11: Toxicological Information

**Acute Toxicity**—ORAL estimated greater than 5000 mg/kg(rat)

Section 12: Ecological Information

**Not Available**

Section 13: Disposal Considerations

**Waste Information**—No special precautions.

Section 14: Transportation Information

**DOT Classification**—Not Regulated/Class 55

Section 15: Regulatory Information

**US Regulations**—This product is not regulated to reporting requirements under prop. 65.

Section 16: Other Information

This SDS sheet is not a warranty. All liability is beyond the seller’s/supplier’s control. User is responsible for the use, handling, and storage of this product must comply with all Federal and State Laws and regulations.
